FREE LIFETIME UPDATES

Every version we release reaches every customer, on support or not. We do not keep fixes behind a renewal, and there is no hardware dongle to lose.

ADDITIONS

Each additional press

€1,490

Its own ink-fountain profile, read from that machine and verified on a live job.

Additional prepress station on the same press

€390

A second computer feeding the press CIP-E is already set up for.

Support, after the first year

€290 / year

Remote assistance, press profile changes, priority response. Optional – the software keeps working without it.

Evaluation, 10 days

€90

Installed on your press PC and set up with us.

Licence transfer to a replacement computer

no charge

When a press PC is replaced or reinstalled, for as long as you own the licence.
